**ANNOUNCEMENTS:**

President Makowski reported that Summer teaching letters to match changes in the management spreadsheet will be presented by Dr. Warren at our next meeting.

**OLD BUSINESS:**

- A. President Makowski was informed by the Shared Governance Committee that the issue of the Compliance Coordinator was not to be solely negotiated by the Senate but the work should be forwarded to the Faculty/ Staff Welfare Committee.
- B. Committee Reports:
  - 1. Senator Turner reported that the Academic Affairs Committee is working on the wording of for the Faculty Handbook concerning the issue of University Support for Degree Completion. Senator Osborne presented a proposal and recommended that this be sent out over email for consideration and for a vote next month. (See Attachment A)
  - 2. Dr. Robertson presented a report from the Faculty Affairs Committee study of Faculty Assessment. (See Attachment B) Senators were asked to consider for the next month. President Makowski commended the committee members for their hard work.

- A. President Makowski reported that he wants to construct a list of issues which need to be addressed for next year in order to make a quicker startup in the fall.
- B. The Faculty Picnic Committee will be filled next month.
- C. Department elections for senators need to be completed by the end of the month.

**ADDITIONAL ISSUES:**

President Makowski addressed the issue of the House Bill which will abolish the 50-mile tuition rule. This would remove 2.7 million in revenue to UNA without reducing the costs to operate the university. President Makowski presented a resolution opposing House Bill 565. (See Attachment C). It was recommended that the phrase "would cut" be changed to "threaten to cut", the word "income" to "revenue", the second whereas to read: "The University of North Alabama draws a significant number of its students from the adjacent Tennessee and Mississippi counties" and change the third whereas to read: "The University of North Alabama is administratively lean and efficiently run". Senator Allan moved to suspend the rules so that a vote could be taken. Senator Barrett seconded. The motion to suspend the rules passed unanimously. Senator Barrett moved the approval of the resolution with the amendments listed above. Senator Adler seconded. The motion passed unanimously.

Senator Thorne moved that the meeting be adjourned. Senator Roden seconded. The motion passed unanimously. The meeting adjourned at 4:25 p.m.
