

**SHARED GOVERNANCE EXECUTIVE COMMITTEE  
MINUTES OF E-BUSINESS OF JUNE 11, 2020**

In lieu of holding a Shared Governance Executive Committee (SGEC) meeting, information was e-mailed to SGEC members relative to a request from President Kitts for an expedited review by the Faculty Senate, Staff Senate, and SGA of a proposal to remove the Bibb Graves building name. Any members with objections to the proposed actions were instructed to inform SGEC Chair Felecia Harris by the close of business on June 11. With unanimous consent, this action is being placed in the form of approved minutes.
