

The UNA Division of Student Affairs provides co-curricular opportunities that enhance students' learning and overall educational experience. As such, the UNA Division of Student Affairs' services, programs, and activities are grounded in research-informed developmental theory and objectives aimed at enhancing the holistic and transformational development of our students. Through collaborative partnerships with all divisions across campus, Student Affairs contributes to a well-rounded and engaging experience that prepares students for current and future success.

UNA's Division of Student Affairs successfully navigated many challenges presented in the 2020-2021 academic year. As the University welcomed students back to campus in Fall 2020, Student Affairs departments were prepared to serve them in myriad ways. From Title IX, University Health Services, and University Police updating their websites, to Student Conduct and University Events making sure face coverings were readily available, to Student Outreach (578) 764-1919, a (604) 849-1171, and (604) 244-8111, to ensure students' mental health, food, and academic needs were met, our staff

University Health Services led the COVID-19 campus-based health and well-being response by providing easily accessible testing and vaccination clinics on campus. UHS also conducted contact tracing and managed COVID-19 quarantine initiation and release for those exposed to the virus. UHS also supported the greater Shoals community by delivering vaccine to the local community through campus-based mass vaccination clinics.

- Implementation of an accessible and centrally located, large-scale mass vaccination site for the UNA campus and the Shoals community to distribute COVID vaccine to anyone meeting criteria based on Alabama Department of Public Health (ADPH) distribution plan. Administered 3,889 COVID vaccines.
- Oversight, management and reporting of positive COVID-19 cases within the campus community including implementation of all contract tracing across campus based on guidance from ADPH and Centers for Disease Control (CDC).
- Implementation and administration of entry COVID testing for incoming students and sentinel testing for both students and employees through the Guidesafe program, asymptomatic COVID testing for all athletic programs per NCAA guidelines, asymptomatic COVID testing for group events and/or travel, and implementation of diagnostic COVID testing and treatment.

University Health Services

- Collaborated with multiple on- and off-campus partners to expand campus medical and mental health services through the newly launched Health and Well-Being initiative.
- Designed and implemented collaborative partnership between UHS, Student Counseling Services, Case Management and Fast Pace Health in order to provide streamlined access to mental health services for all UNA students. This partnership provides UNA students additional access to mental health treatment through telepsychiatry evaluations, consultations, and medication management.
- Continued to serve as a clinical rotation site for UNA undergraduate nursing students and added new internship availability in Fall 2020 for UNA graduate level nursing students.
- Provided health screenings at multiple events across campus including 12 commencement ceremonies, Unpack the Pride, Kilby CARES camp, UNA football game, and the UNA Fall Festival.
